

SIMULTANEOUS TRANSLATION

STEP 1

DOWNLOAD THE APP

Log in to the “**CCS Hotspot**” Wi-Fi network. The MobileConnectApp can be downloaded free of charge from the Apple App Store or Google Play. Installation starts automatically immediately after downloading.

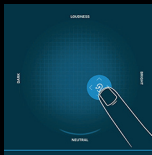

STEP 2

CONNECT TO THE WIFI

Now log in to the “**MobileConnect**” Wi-Fi network. Allow the app to access other devices on the local network. Connect your headphones to your cell phone.

STEP 3

START THE APP

After starting the app, select the desired language channel. Start playback with Play. The “**Personal Hearing Assistant**” allows you to optimize the sound and speech intelligibility.
